

## **Strengthening posting of hazardous labels notice**

Dear valued Customers:

In order to implement the regulation of "IMDG CODE" and strengthen the supervision of hazardous goods during the transportation, we hereby request all valued customers to follow the requirements of "Globally Harmonized System of Classification and Labeling of Chemicals". All hazardous containers must be correctly and normatively labeled with corresponding hazardous labels on the surface of the container.

In case of failure of loading and/or unloading at the POL/POD/TRANSIT PORT which caused by missing or damaged or non-standard contents of labels, all liabilities, risks, costs and/or losses of our company and/or the third party arising therefrom shall be absorbed by the customer.

In addition, before empty returned to appointed place after unstuffing the hazardous goods, customer shall remove the hazardous labels on the surface of the equipment and ensure that there are no hazardous residue in container.

In case of failure to handle as above requirement, all relevant costs incurred shall be borne by the customer.

And we would like to express our sincere appreciation for your kind attention and cooperation. Please do not hesitate to contact our local offices, if any questions !
